HOUSE OF COMMONS
LONDON SW1A 0AA

PADDY TIPPING LABOUR MP FOR SHERWOOD

LAKE VIEW PRIMARY SCHOOL

PRESS RELEASE

We are delighted with our wind turbine. It is providing our students with an opportunity to enrich their learning whilst at the same time sending a clear signal to the local community that we're serious in our commitment to tackle climate change.

There is a growing need to ensure that all young people have an understanding of how climate change is caused and how it can be tackled. Our wind turbine is helping to increase the amount of energy being made from renewable sources.

Note to Editors - The ceremony will take place at Lake View Primary School, Rainworth
At 10.30 am on Friday 11th July
Photographers welcome
